## *From all of us to you*

*Dear patients,*

*What an interesting year it has been for the office! We did celebrate 10 years with a renewed sense of purpose, always keeping our patients in mind. We added some equipment, updated our frame selection and changed our ophthalmic lens provider. Our goal remains to stay true to our mission statement and dedicated to provide eye care of the highest quality.*

*As everyone knows by now, we had some shocking and devastating news in August, made public in November. We want to sincerely thank all of you that took the time to write in and offered encouragement and support. It meant a lot to all of us.*

*Through this challenging experience, (which is far from over), we learned that we never know what the future holds. More reasons to embrace life daily! Whether you celebrate holidays or not, we just wanted to take this time to reflect and let you know how blessed we feel to have all of you in my practice and trusting us with your eye care. As we keep a "healthy outlook on life", also know that you are center of our thoughts and actions when you come in through our doors!*

*To a happy Holiday season and a healthy 2015,*

*Respectfully,*

*Dr. Cassis, Brittany, Vann, Maria and Lyndsey*
